

# Welcome to the myCNC Documentation site

This website contains the manuals and documentation for the myCNC control boards and myCNC software designed and developed by [Puruvesi Automation](#). The index for the site is located in the left sidebar. Below you can find the QuickStart section which is designed to introduce the user to the myCNC initial setup process, as well as some general controller and software information pages.

## Welcome to myCNC Docs

Please consult the [QuickStart](#) page for machine setup instructions

## Welcome to myCNC Docs

Visit our [Frequently Asked Questions](#) page to get started
